Introduction to the Enphase Service Manager

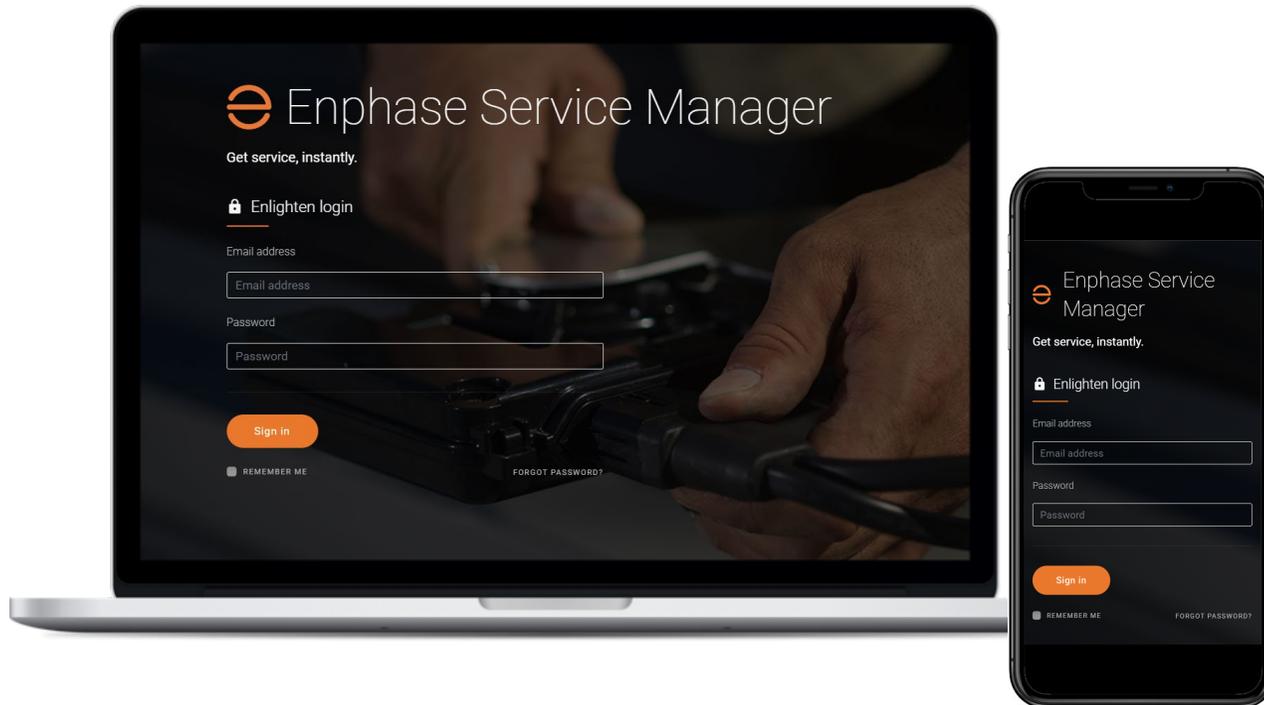

The Enphase Service Manager is a unified platform where installers can create and manage all their support requests.

The Enphase Service Manager can be used to create new support requests, track return merchandise authorization (RMA), apply and track labor reimbursements, initiate returns, and more.

This guide provides information on how to use the Enphase Service Manager on both mobile and desktop views.

Introduction to the Enphase Service Manager

Log in to the Enphase Service Manager on a desktop or mobile device using your Enphase account credentials.

Dashboard

Dashboard: Overview

The **Dashboard** gives installers access to create, view, and manage all cases and RMAs.

To view RMA information on the Dashboard, select the **RMAs** tab.

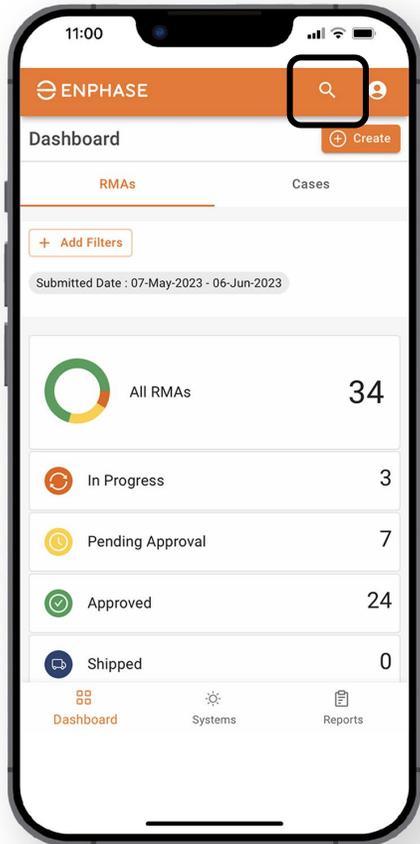

To view case information on the Dashboard, select the **Cases** tab.

Installers can start a live chat with Enphase Customer Support at any time by selecting the **Contact Us** option.

Dashboard: Search tool

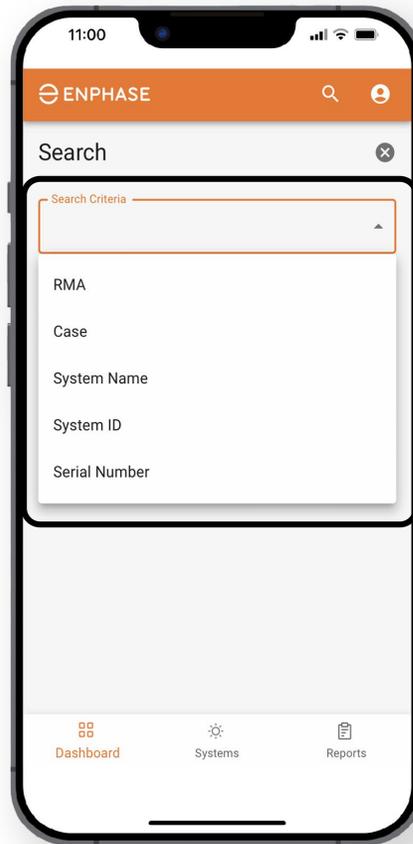

Installers can use the **Search** tool to find a specific case or RMA.

Step 1

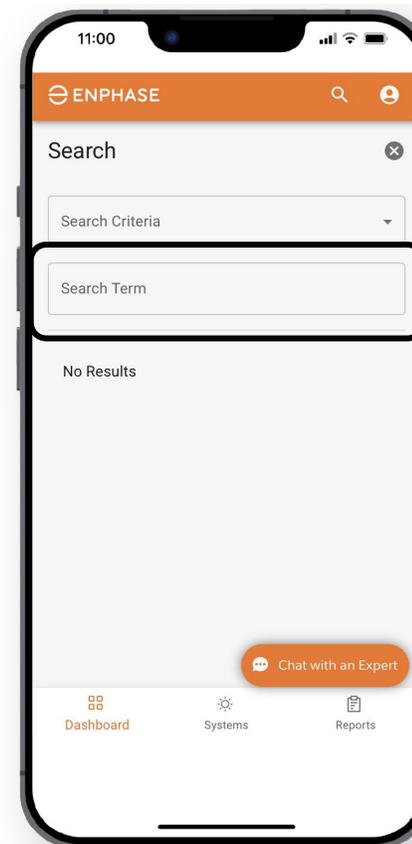

Search for a specific RMA or case by selecting the magnifying glass icon at the top of the page.

The **Search** menu will open.

Step 2

From the **Search Criteria** dropdown, installers can search for an RMA, Case, System Name, System ID, or Serial number.

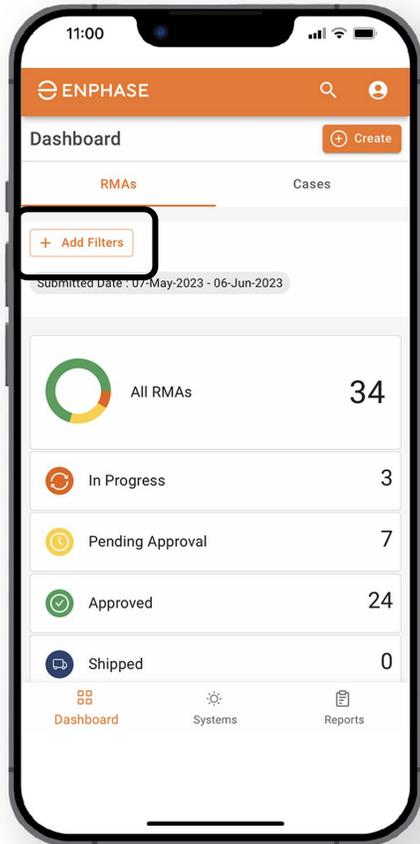

Step 3

Once a criteria is selected, the installer can use the **Search Term** field to search.

Dashboard: Add Filters

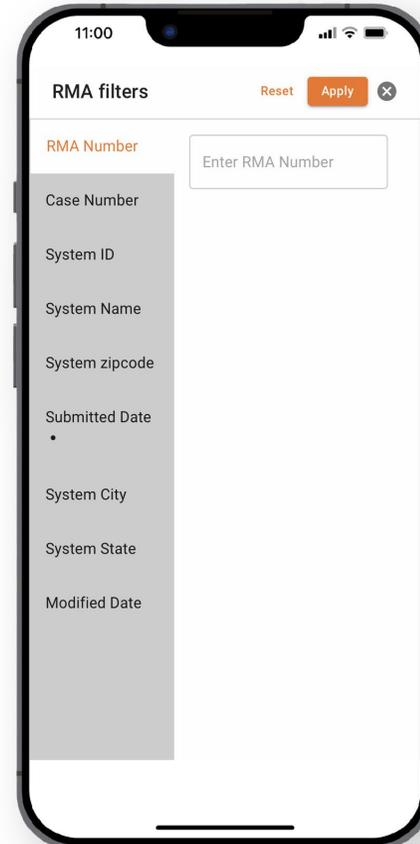

Installers can also select the **Add Filters** option in the **RMA Dashboard** and **Cases Dashboard** to find a specific case or RMA.

Step 1

From the **RMA dashboard** or **Cases dashboard**, select **Add Filters** to view filter options.

The default filter will show all RMAs within the last 30 days.

Step 2

If **Add Filters** was selected from the **RMA Dashboard**, the **RMA filters** page will open.

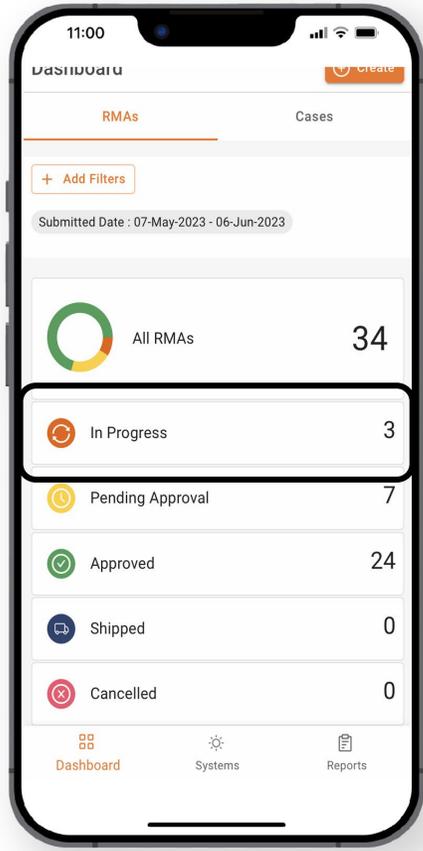

If **Add Filters** was selected from the **Cases Dashboard**, the **Cases filters** page will open.

Select specific filter options and add information in the provided field.

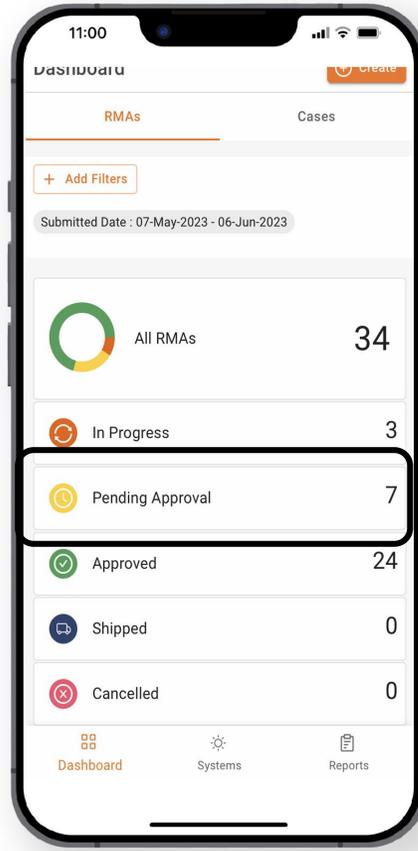

Select **Apply**.

Dashboard: RMAs

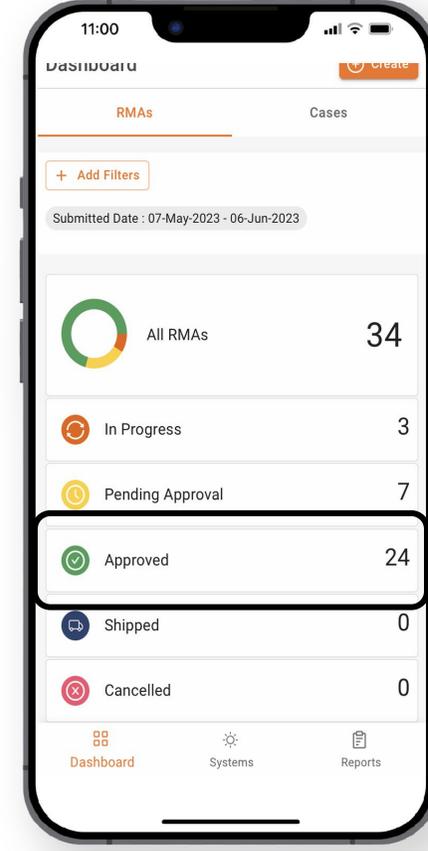

Installers can view their total number of RMAs and specific RMA information in the **RMAs** tab of the **Dashboard**.

To view a list of in-progress RMAs, select **In progress**.

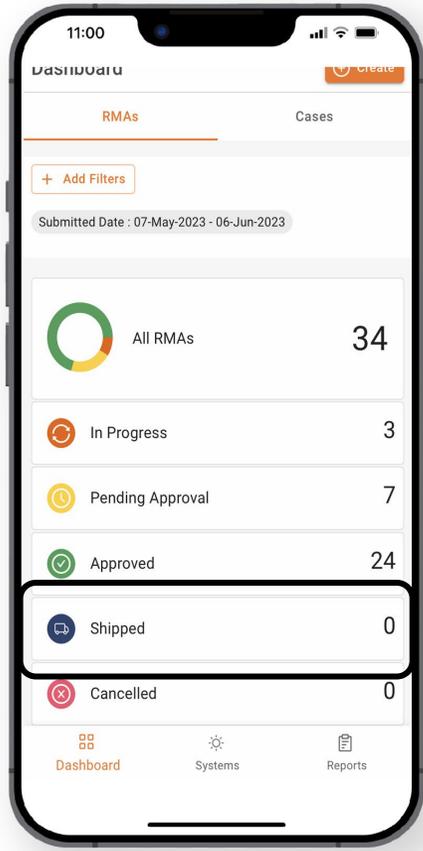

To view a list of RMAs pending approval, select **Pending Approval**.

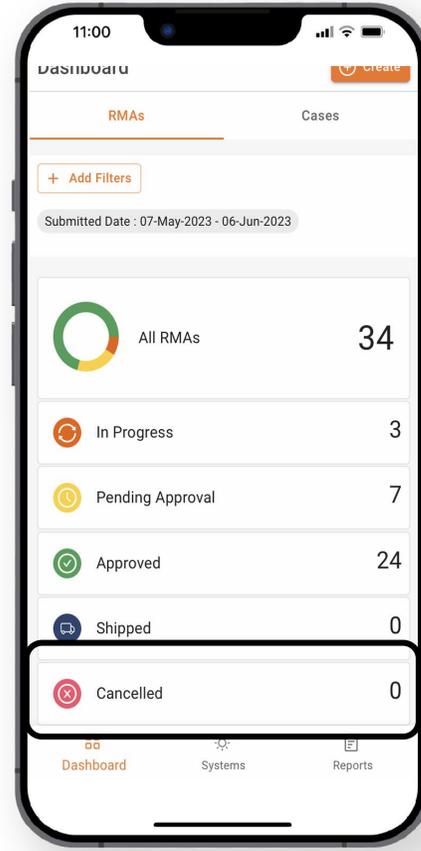

To view a list of approved RMAs, select **Approved**.

Dashboard: RMAs

Installers can view their total number of RMAs and specific RMA information in the **RMAs** tab of the **Dashboard**.

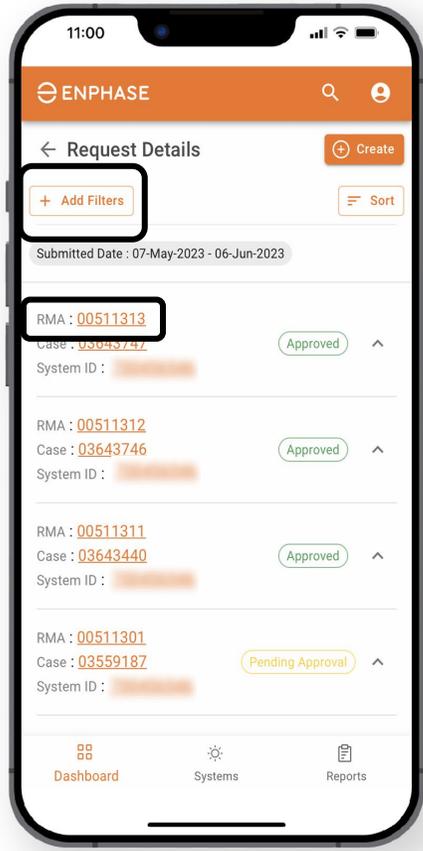

To view a list of shipped RMAs, select **Shipped**.

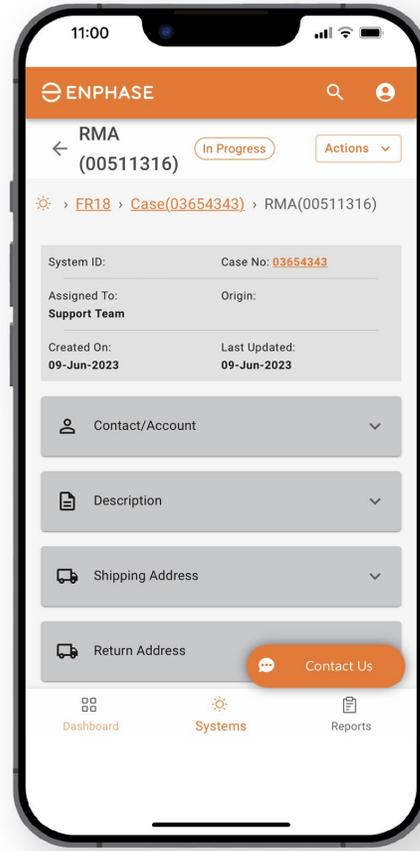

To view a list of cancelled RMAs, select **Cancelled**.

Dashboard: RMAs

Selecting any of the previously mentioned **RMAs dashboard** options will open the **Request Details** page, which displays a list of RMAs.

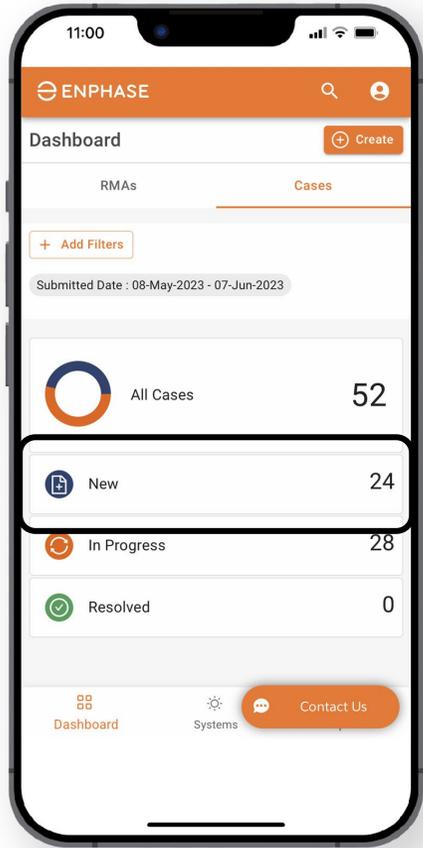

Installers can use the **Add Filters** option or select an RMA from the list to view more details.

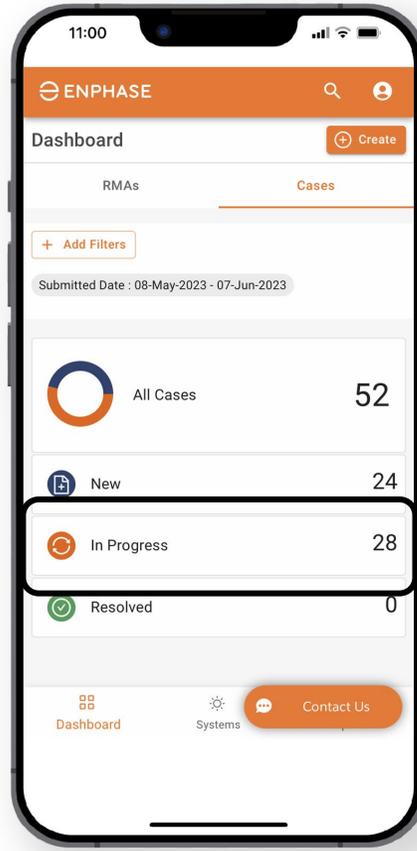

Once an RMA is selected, the **RMA** page will open.

Dashboard: Cases

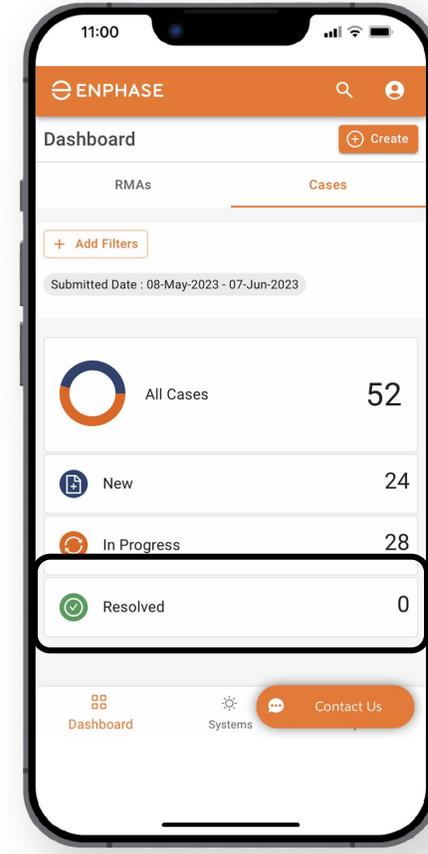

Installers can view their total number of cases and specific case information in the **Cases** tab of the **Dashboard**.

To view a list of new Cases, select **New**.

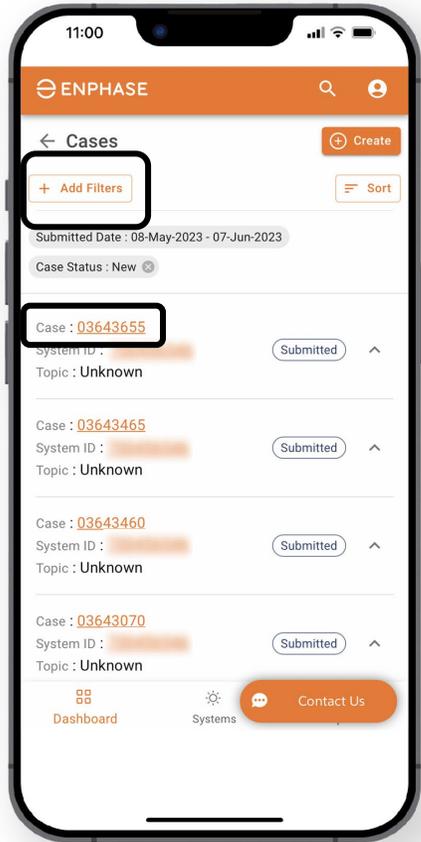

To view a list of in-progress cases, select **In-progress**.

To view a list of resolved RMAs, select **Resolved**.

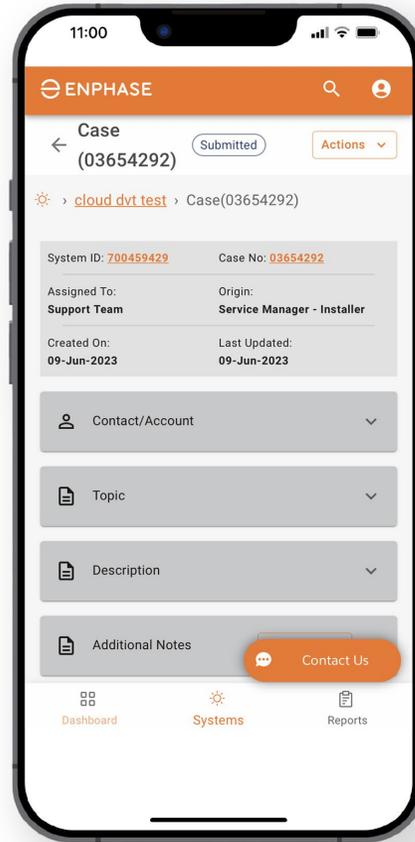

Dashboard: Cases

Selecting any of the previously mentioned **Cases Dashboard** options will open the **Cases** page, which displays a list of Cases.

Installers can use the **Add Filter** option.

Select a Case from the list to view more details.

Once a Case is selected, the **Case** page will open.

Labor Reimbursements

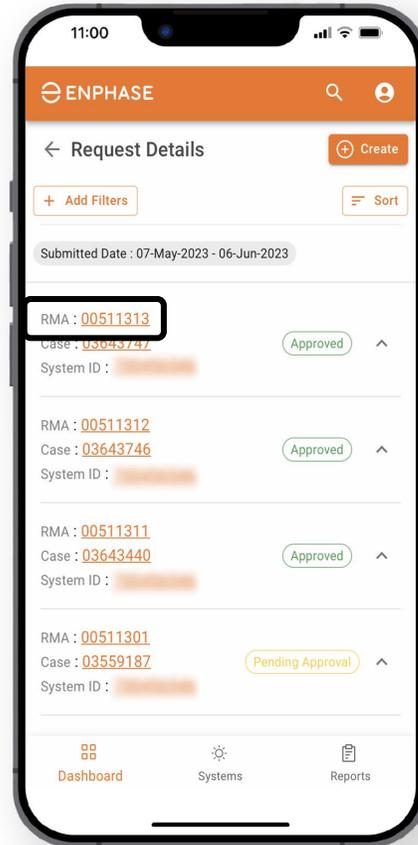

Apply for Labor Reimbursement

To apply for a Labor Reimbursement, installers can select an RMA number from the **RMAs Dashboard**.

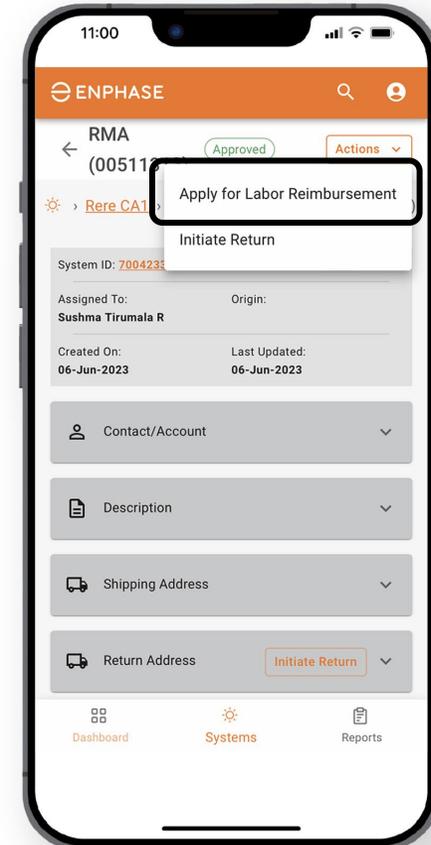

Step 1

Use the search tools or select one of the indicated options to find an RMA.

Step 2

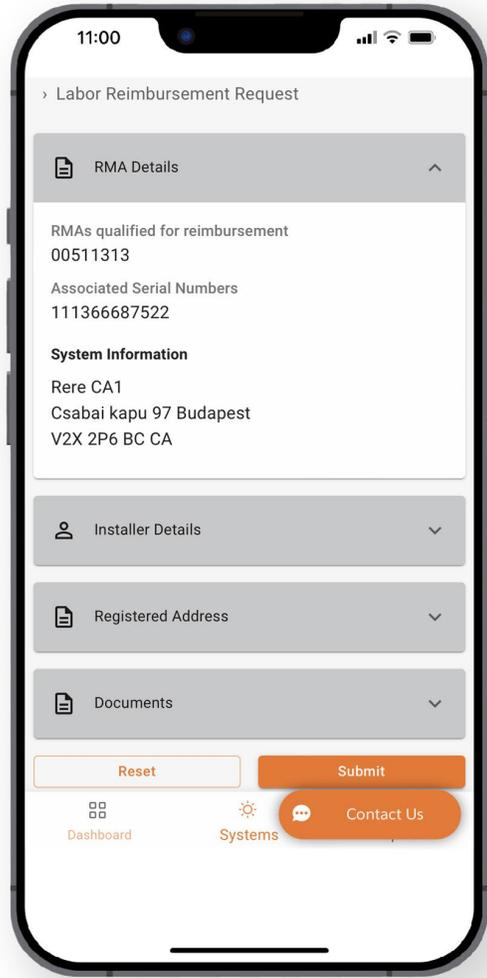

Select an RMA link.

Step 3

Select the **Actions** dropdown menu, then select **Apply for Labor Reimbursement**.

Apply for Labor Reimbursement

Step 4

The **Labor Reimbursement Request** form will appear, displaying the RMA Details.

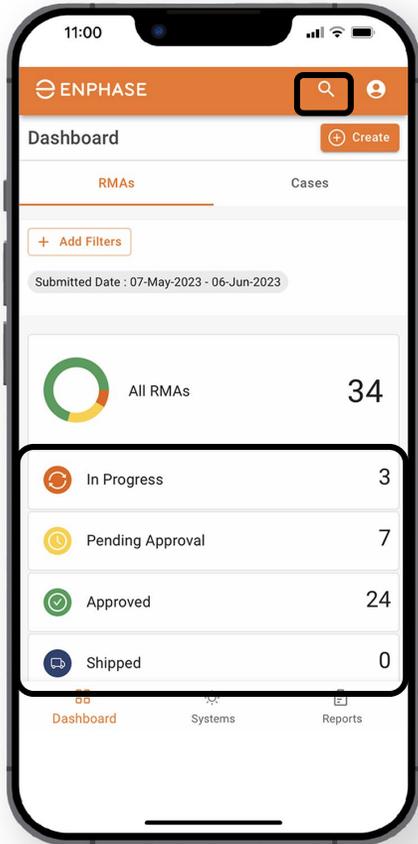

Select each dropdown and complete/validate the required fields:

- **Installer Details**
- **Registered Address**
- **Documents**

When finished, select **Submit**.

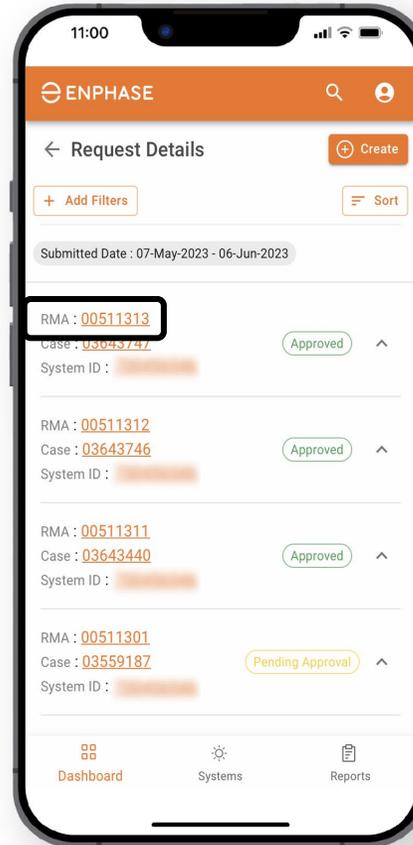

Track Labor Reimbursement application

To track a Labor Reimbursement, installers can select an RMA number from the **RMAs Dashboard**.

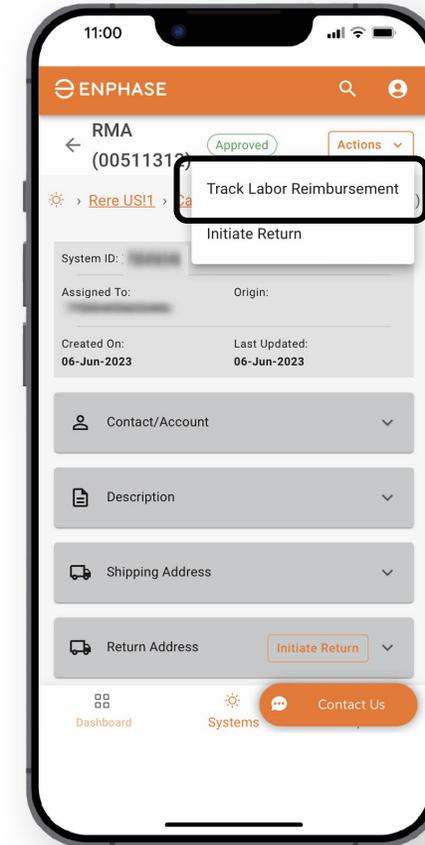

Step 1

Use the search tools or select one of the indicated options to find an RMA.

Step 2

Select an RMA link.

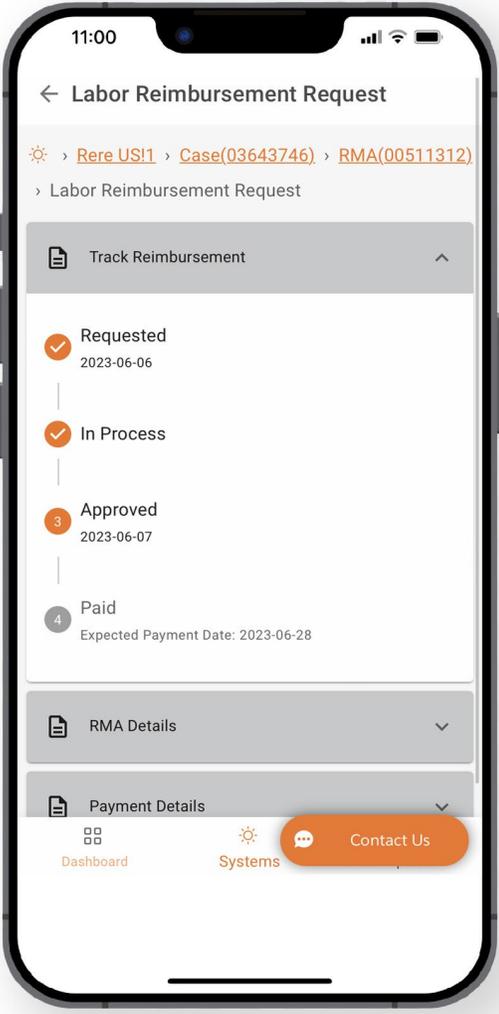

Step 3

Select the **Actions** dropdown menu.

If the Labor Reimbursement request was submitted, the list will display a **Track Labor Reimbursement** option. Select it.

Track Labor Reimbursement application

Step 4

The **Labor Reimbursement Request** page will appear, displaying tracking information in the **Track Reimbursement Section**.

Dashboard

Dashboard: Overview

The **Dashboard** displays all Recent Support Requests and provides installers access to create, view, and manage their Cases.

To view RMA information on the Dashboard, select the **RMAs** tab. To view case information on the Dashboard, select the **Cases** tab.

The screenshot shows the Enphase Dashboard interface. On the left is a navigation sidebar with 'Dashboard', 'Systems', and 'Reports'. The main content area is titled 'Dashboard' and includes a 'Create' button. Below this are two tabs: 'RMAs' (selected) and 'Cases'. A filter section shows 'Submitted Date: 08-May-2023 - 07-Jun-2023'. The dashboard features six summary cards for RMA statuses: All RMAs (34), In Progress (3), Pending Approval (7), Approved (24), Shipped (0), and Cancelled (0). Below these is a 'Request Details' table with columns for RMA Number, Case Number, System ID, System Name, Zipcode, and RMA Submitted Date. At the bottom, there is a language dropdown set to 'English', an 'Enphase Customer Support' button, and a 'Contact Us' button highlighted with a red box.

RMA Number	Case Number	System ID	System Name	Zipcode	RMA Submitted Date
00511313	03643747		Rere CA1	V2X 2P6	06 Jun 2023
00511312	03643746		Rere US1	92672	06 Jun 2023
00511311	03643440		LReUSMSeries-PlsDoNotModify1	K1A0A0	05 Jun 2023
00511301	03559187		ENS 1.5 iOS JAN 24	51711	01 Jun 2023

Installers can start a live chat with Enphase Customer Support by selecting the **Contact Us** option.

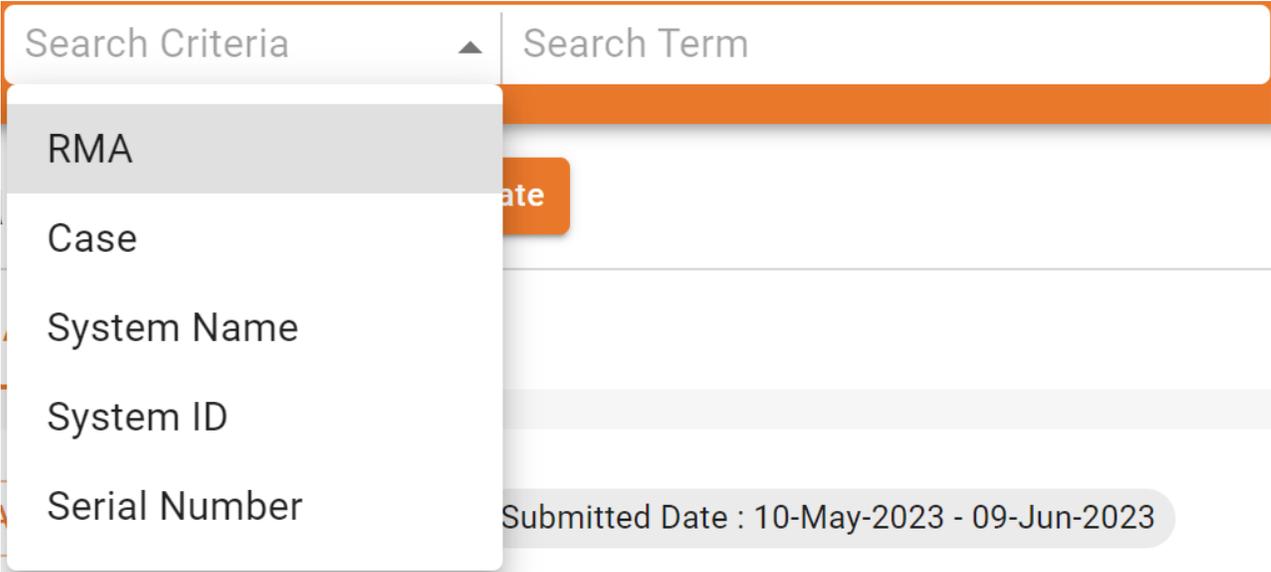

Dashboard: Search tool

Installers can use the **Search** tool located in the top taskbar to find a specific Case or RMA.

The image shows a search tool interface with an orange border. On the left, there is a dropdown menu labeled "Search Criteria" with a downward arrow. To its right is a text input field labeled "Search Term".

Select a criteria option from the **Search Criteria** dropdown and enter a Search Term in the provided field to search.

The image shows the search tool interface with the "Search Criteria" dropdown menu open. The menu lists the following options: RMA, Case, System Name, System ID, and Serial Number. The "RMA" option is highlighted. The "Search Term" input field is empty. Below the input field, there is a date range filter: "Submitted Date : 10-May-2023 - 09-Jun-2023".

Dashboard: Add Filters

Installers can also select the **Add Filters** option in the **RMAs Dashboard** and **Cases Dashboard** to find a specific case or RMA.

+ Add Filters

Installers can select filters and enter information in the provided field. The search will initiate once **Apply** is selected.
